

2008 Third Street Boardwalk Project – Historic Downtown Lake City

Thanks to your generous financial support and volunteer time, we constructed more than 530 feet of boardwalk along Silver Street in 2007. Our 2008 project focuses energy on Third Street. We will construct 125 feet of boardwalk from the Silver Spur to the Hough Building alley and 45 feet along the north side of the Miners and Merchants Bank. Please consider sponsoring a foot or two! All proceeds will go directly towards downtown beautification efforts, including the actual costs of materials, maintenance, replacement, and snow removal.

\$75.00 will purchase a foot of boardwalk, including a 2x4 plaque with a 3-line message (Sympathy, In Memory of, In Honor of, etc.) of 20 characters each.
